MONA

COLLECTION BY OBSCURA

Our collection is a celebration of art, culture, and curiosity. We salute individuals who understand the importance of art, culture, and aesthetics in their lives and wish to live with products around them that reflect their values. Our essence is based on an in-depth appreciation of all these intricacies. With everything we manufacture, we wish to contribute to a more beautiful, more conscious, and more meaningful world. This is why our furniture has been designed not only to look good and be functional but also to tell a story, raise an emotion, and leave a lasting impression.

MONA CORNER **SOFA**

Mona brings together flexibility and elegance in a design that adapts to every lifestyle. Its generous proportions and soft geometry create a welcoming sense of ease. The refined mix of materials highlights both comfort and craftsmanship. With its modular structure, Mona transforms effortlessly — from intimate gatherings to spacious living compositions — always maintaining its graceful balance.

MONA CORNER SOFA

Outer Frame

Constructed from solid wood and upholstered in genuine leather, the exterior frame combines durability with refined elegance. Its seamless finish gives Mona a distinctive, sculptural presence.

Inner Composition

The inner structure features a patented fabric, developed exclusively by our brand. This unique textile enhances comfort, breathability, and longevity — setting Mona apart in both quality and feel.

Table Element

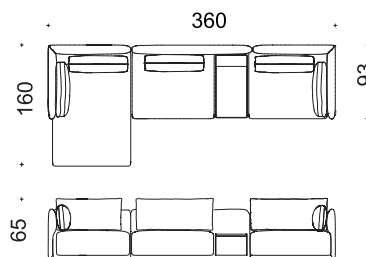

Designed as a modular side table, it can be positioned freely within the composition. The interior is fully lined with soft suede and includes a hidden drawer, combining practicality with luxurious detailing.

Modularity

As a fully modular system, Mona can be produced in custom dimensions and configurations, adapting effortlessly to a variety of spatial and functional needs.

Design

Created for spaces where comfort meets understated elegance, Mona enhances every setting with its relaxed proportions and subtle sophistication.

We sincerely believe that our responsibility is to shape our world through progress and development and set a positive example for future generations.

We are constantly discovering new ways to improve the quality and functionality of our products and create extraordinary items.

MONA **SOFA**

Mona sofa blends comfort and elegance in a design shaped for everyday living. Its generous seating and softly contoured lines create an inviting, relaxed atmosphere. Carefully selected materials emphasize both tactile comfort and refined craftsmanship. With its adaptable structure, Mona sofa offers versatile configurations — seamlessly supporting everything from quiet moments to social gatherings — while preserving its effortless, balanced aesthetic.

MONA SOFA

Outer Frame

Constructed from solid wood and upholstered in genuine leather, the outer frame forms a continuous base that wraps the sofa with a strong yet refined presence. Its seamless finish enhances the sculptural silhouette while ensuring durability.

Inner Upholstery

The seating and back cushions are upholstered in a richly textured, high-quality fabric. This carefully selected material offers comfort and breathability, creating a soft contrast against the leather frame.

Structure & Comfort

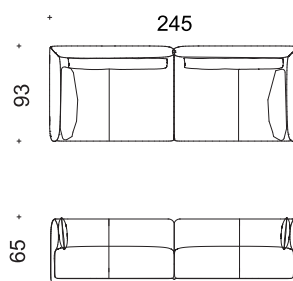

Engineered with a resilient inner construction, the seating system provides balanced support and long-lasting comfort. Generous proportions enhance the relaxed character of the design.

Modularity

Designed as a modular system, the sofa can be configured in various dimensions and layouts, adapting effortlessly to different spatial requirements.

Design

With its clean lines, rounded arm details, and grounded leather base, the design embodies understated elegance. A refined piece that brings warmth and contemporary sophistication to modern living spaces.

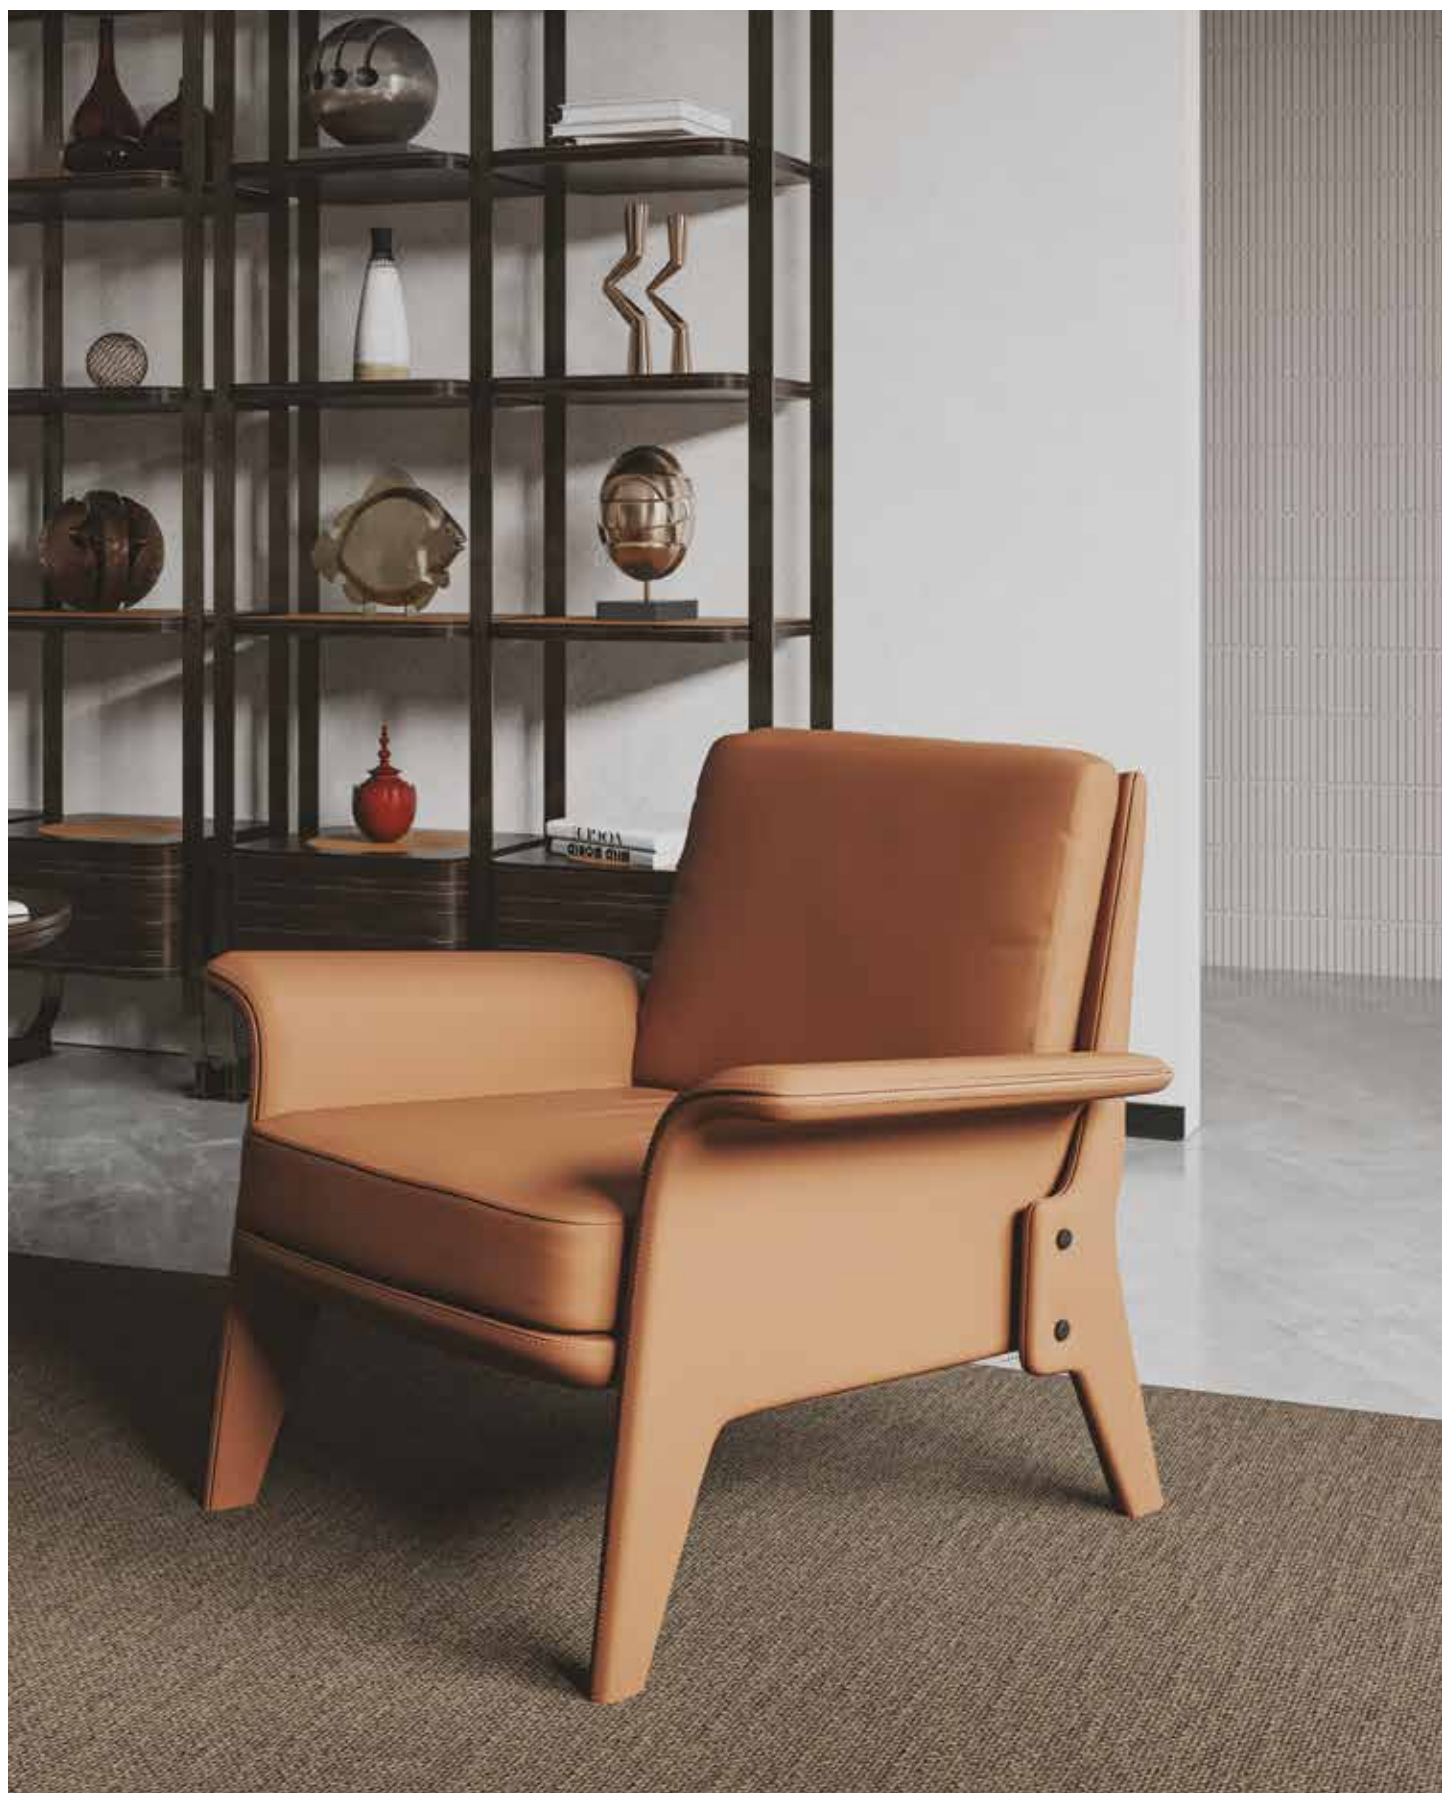

We believe progress is a part of our passion for adapting to the changing times and transforming the future, and our furniture reflects this mindset.

MONA **ARMCHAIR**

Mona reinterprets comfort with a calm, confident presence. Its smooth contours and solid structure evoke understated sophistication. The soft seat embraces the body, while the precise lines reflect refined craftsmanship. A timeless piece that brings quiet strength and effortless elegance to contemporary spaces.

MONA ARMCHAIR

Main Structure

Crafted from premium plywood, the frame achieves exceptional strength and stability, especially in its elegantly curved sections. This construction ensures both resilience and refined form.

Upholstery

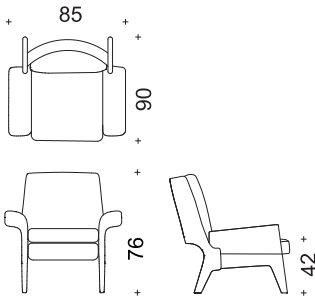

Wrapped in genuine nubuck leather, Mona embodies understated luxury — a tactile balance of softness and sophistication.

Seating System

Equipped with a layered foam structure, the seat delivers deep comfort and ergonomic support for long-lasting ease.

Design

A piece that commands attention effortlessly — Mona stands as the stage itself, where design, comfort, and character meet in perfect harmony.

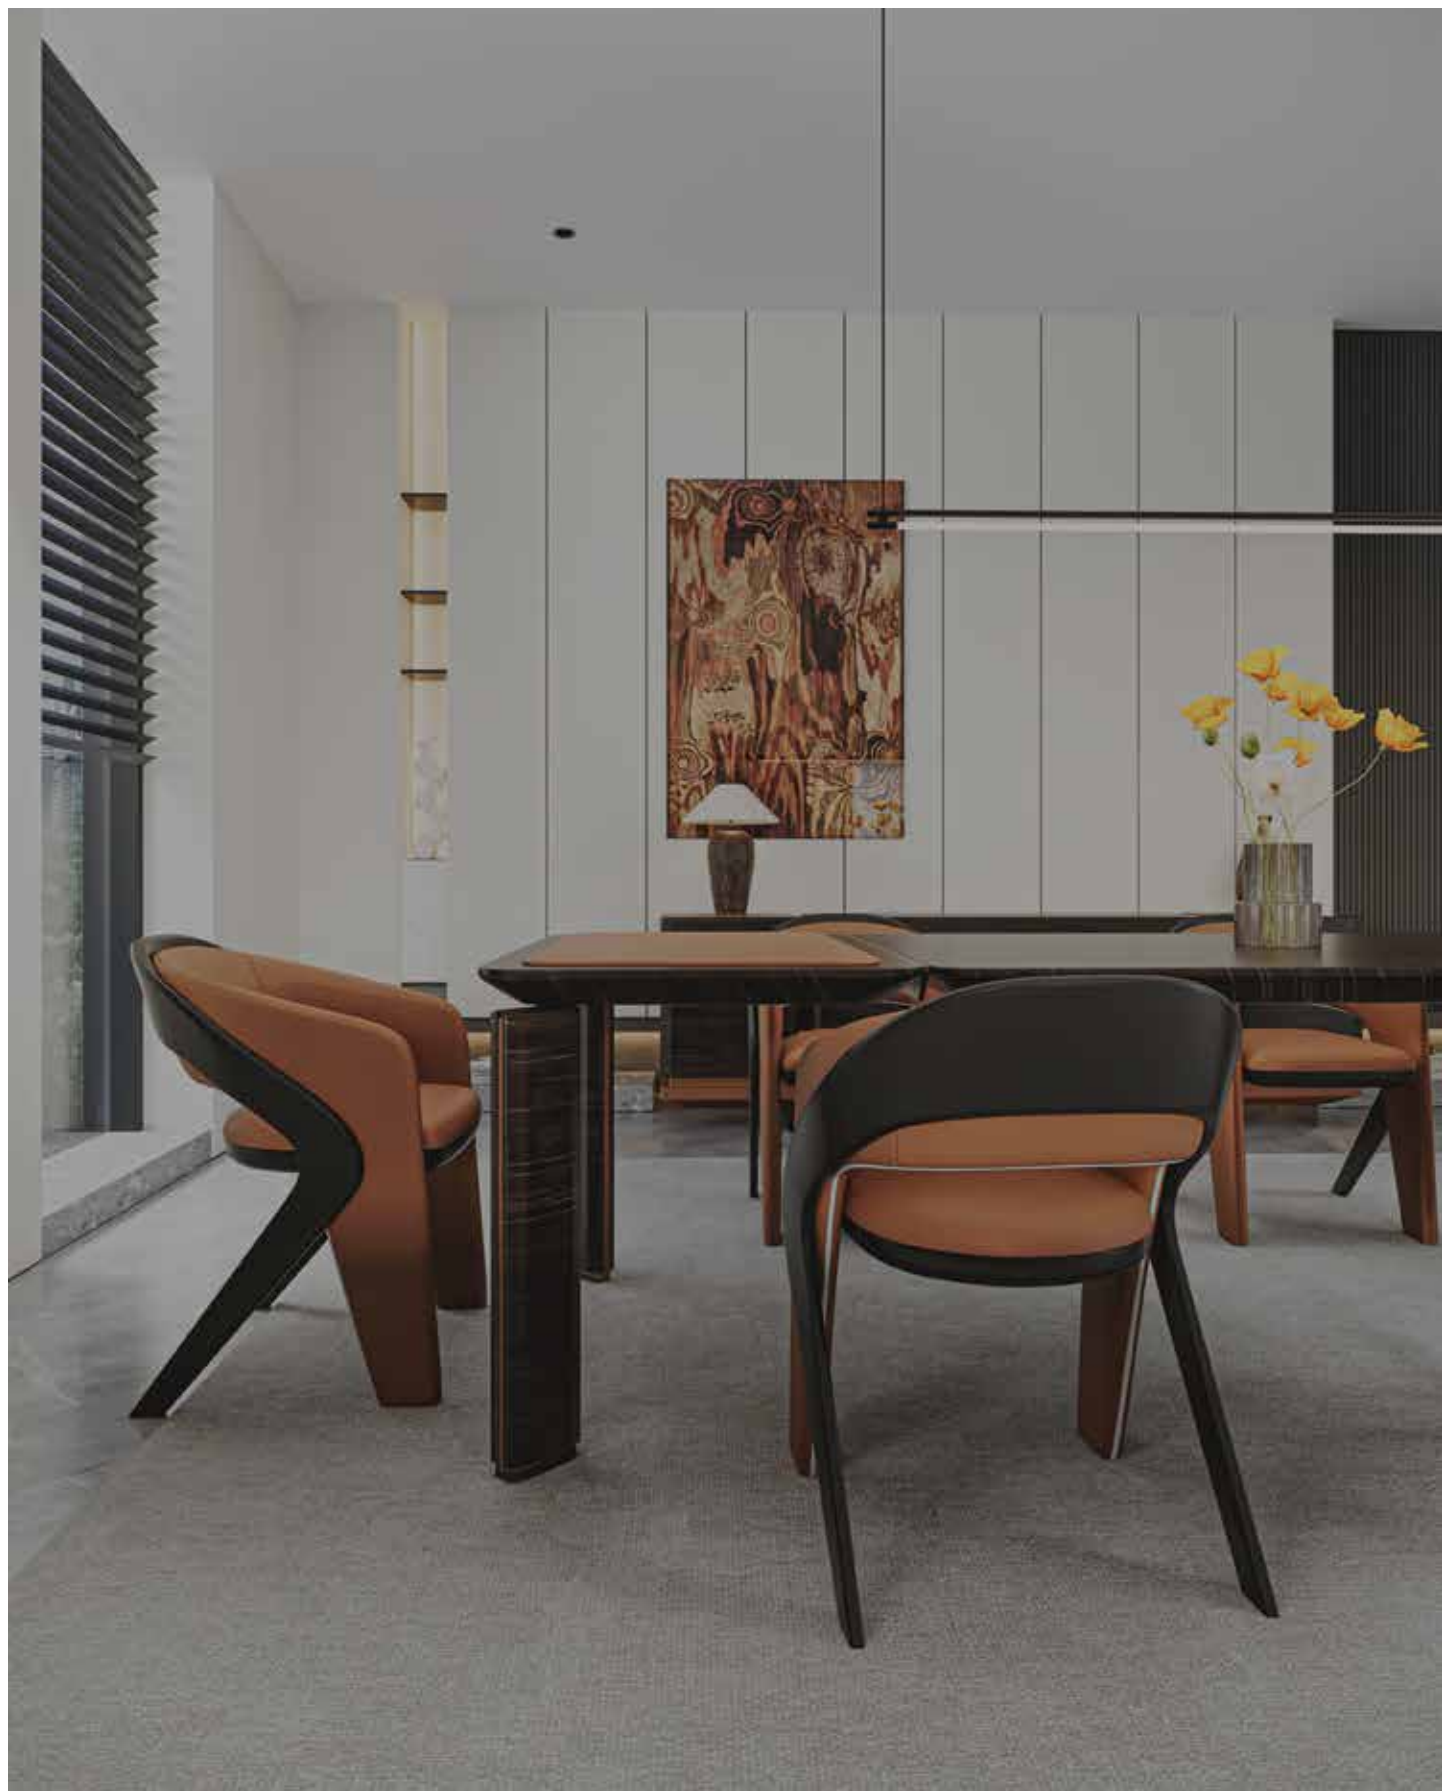

Our designs are not only attractive but also functional and futureproof, and they will stay in the lives of our customers for years. We always have the lead and do not hesitate to make brave decisions to implement our vision of the future.

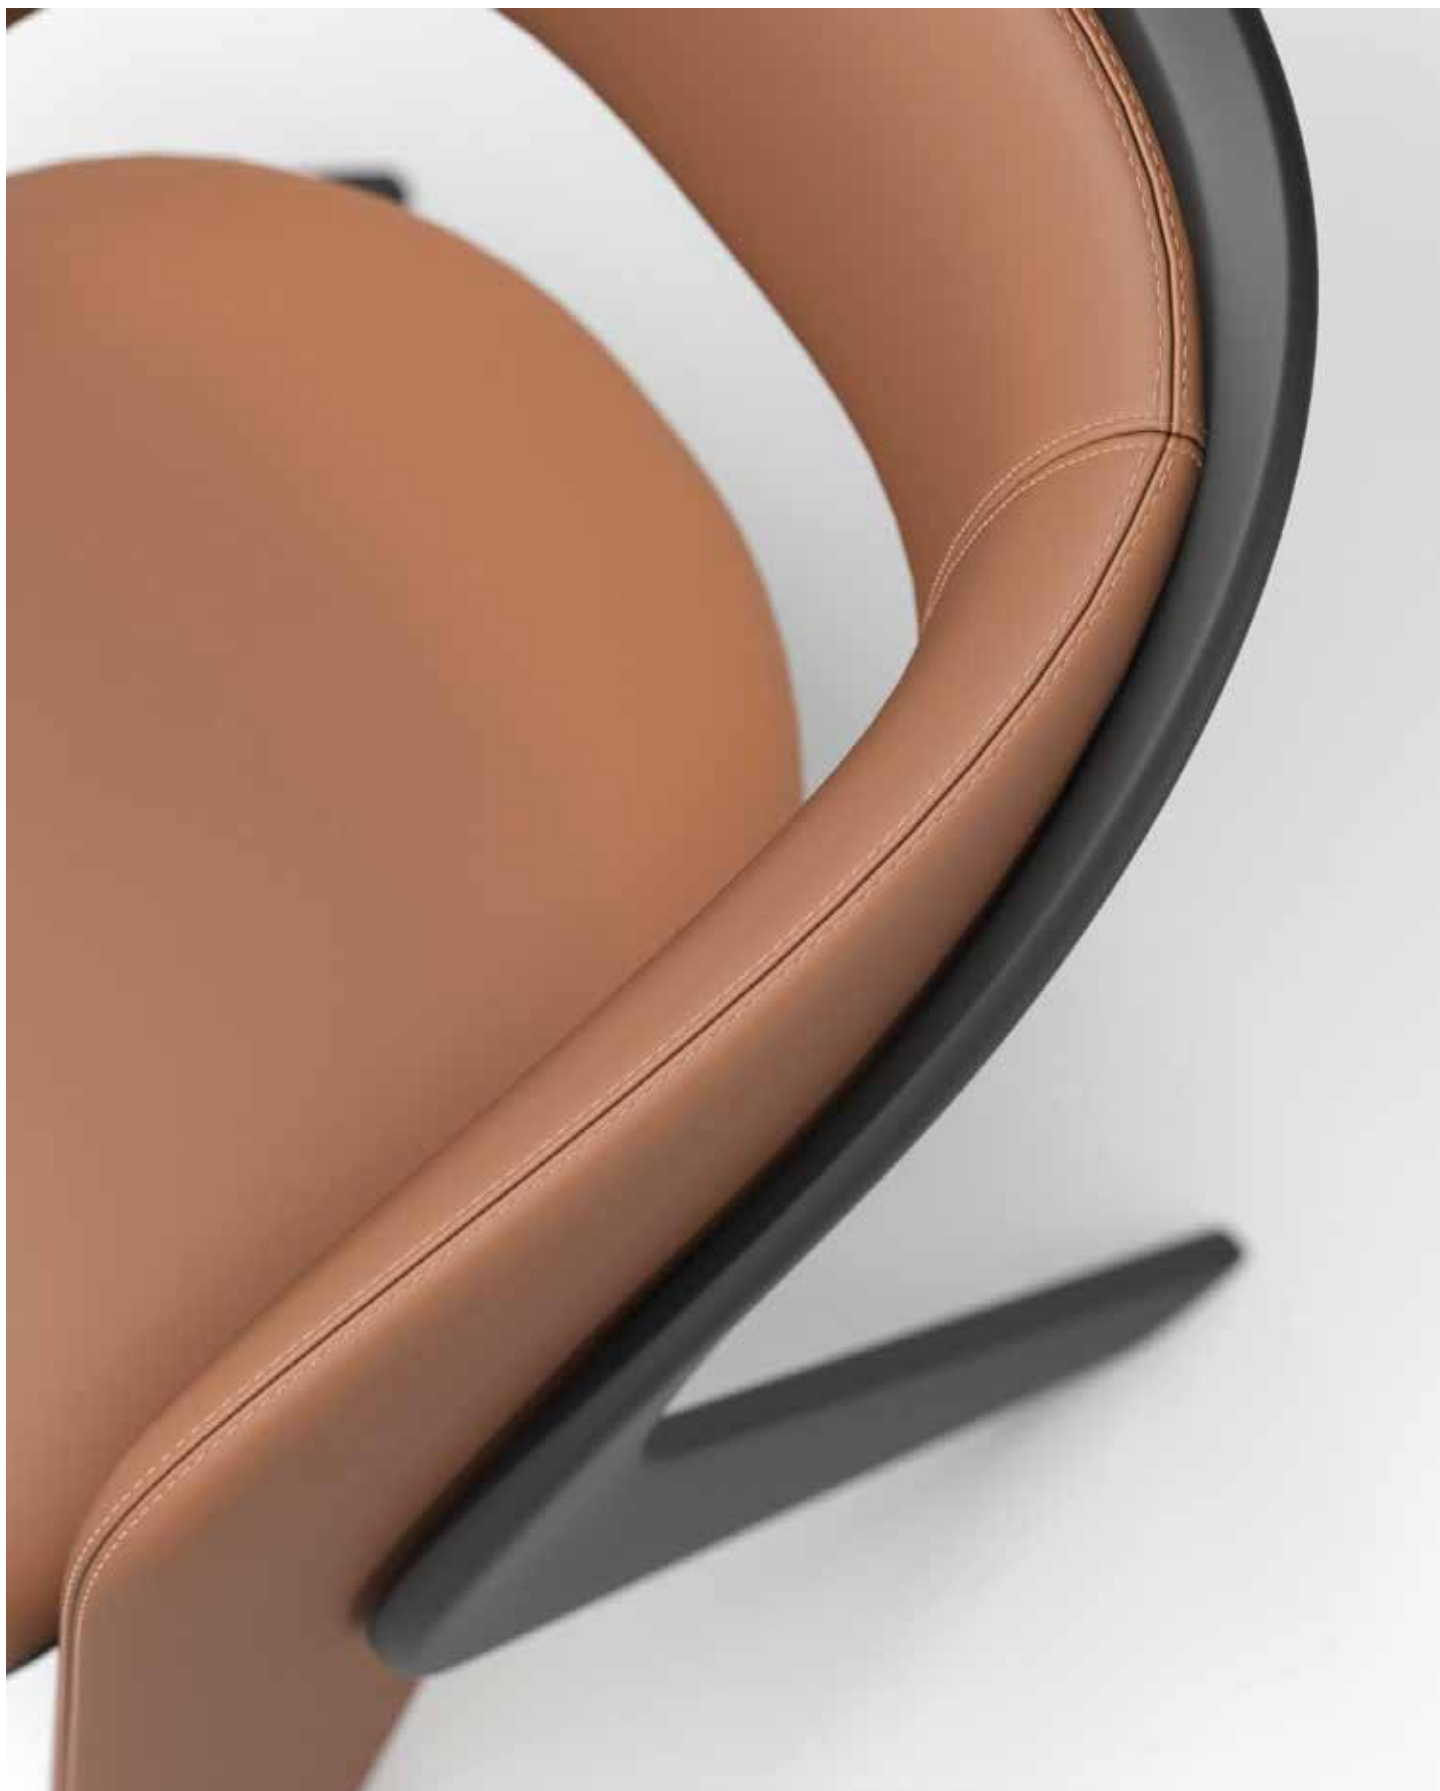

MONA **CHAIR**

Modern design with bold curves and a sculptural silhouette. Its seamless form and rich texture create a statement of sophistication. Crafted for both comfort and visual balance, it brings an artistic touch to any interior. A true fusion of form, function, and contemporary elegance.

MONA CHAIR

Structure

The Mona chair is built on a solid foundation — a complete metal frame embedded within a wooden body. This concealed structure enhances durability while preserving the chair's sculptural elegance.

Upholstery

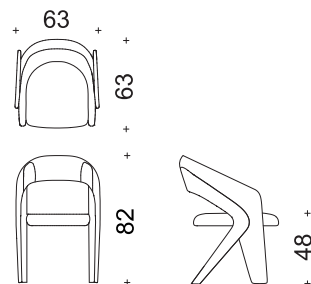

Finished in genuine leather, the seat and backrest feature refined stitching details that emphasize craftsmanship and comfort. Each line reflects precision and timeless luxury.

Woodwork

The wooden exterior is perfected with a smooth, high-quality lacquer finish, bringing depth and character to the form.

Design Essence

Defined by its sculptural silhouette, Mona stands as both a functional piece and a work of art — a statement of refined craftsmanship and modern sophistication.

We are determined to have a part in shaping the future. Join us in our journey of progress, development, and sustainability, and let our furniture be the proof of our firm belief in a better future for everyone.

MONA **TABLE**

Mona greets the room with a quiet simplicity, yet every detail reveals a strong, intentional character. The meeting of contrasting surfaces creates a rhythm—two different tones flowing together in perfect harmony. Its precisely shaped legs and refined tabletop bring a sense of lightness and elegance to any setting. Blending function with aesthetic clarity, Mona tells a design story crafted for the pace and poetry of modern living.

MONA TABLE

Tabletop

The tabletop features a two-part design, with one section dedicated specifically to service use. This area includes a leather mat with hidden magnets, allowing it to stay perfectly in place while subtly separating the service zone from the main surface. The refined grain direction and precise finishes elevate the table's visual identity.

Legs & Structure

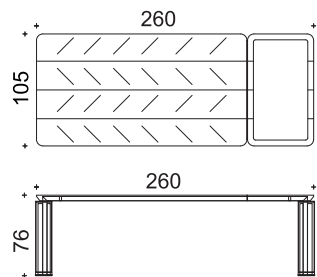

Supported by four robust legs and a highly reinforced internal frame, Mona ensures exceptional stability — eliminating any risk of wobbling. Its construction brings together fine metal, premium leather, and wood, achieving both strength and aesthetic coherence.

Material Harmony

The table showcases a unique fusion of slender metal details, genuine leather accents, and special wood finishes. Each material is selected to complement the others, creating a seamless sense of balance and sophistication.

Design Essence

Defined by its distinctive veneer color, thoughtful functionality, and the interplay of leather and metal, Mona stands apart with a character unlike any other. A table crafted for those who value originality, precision, and purposeful design.

We believe that collaboration is the foundation of success and growth. We are proud of having strong relationships with our employees, business partners, branches, and customers, and we see them as an indispensable part of our big family.

MONA **SIDEBOARD**

Meticulously crafted to blend seamless design with premium materials. The console features a sleek silhouette that enhances any contemporary setting, making it the centerpiece of your living space.

MONA SIDEBOARD

Materials:

Body Construction: Crafted from high-quality engineered wood, ensuring durability and stability. The exterior is finished with a soft veneer that showcases a refined texture while resisting wear.

Accent Features:

Genuine leather accents provide a warm contrast to the dark body, adding depth and sophistication.

Legs:

Sleek metal legs provide sturdy support while enhancing the console's overall aesthetic.

Functional Storage:

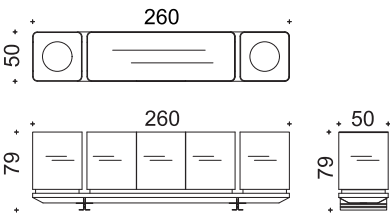

Multiple compartments allow for efficient organization of belongings.

Versatile Design:

Perfect for living rooms, entertainment areas, or office environments, seamlessly integrating into any decor style.

Care Instructions:

Wipe clean with a damp cloth; avoid harsh chemicals to preserve the finish.

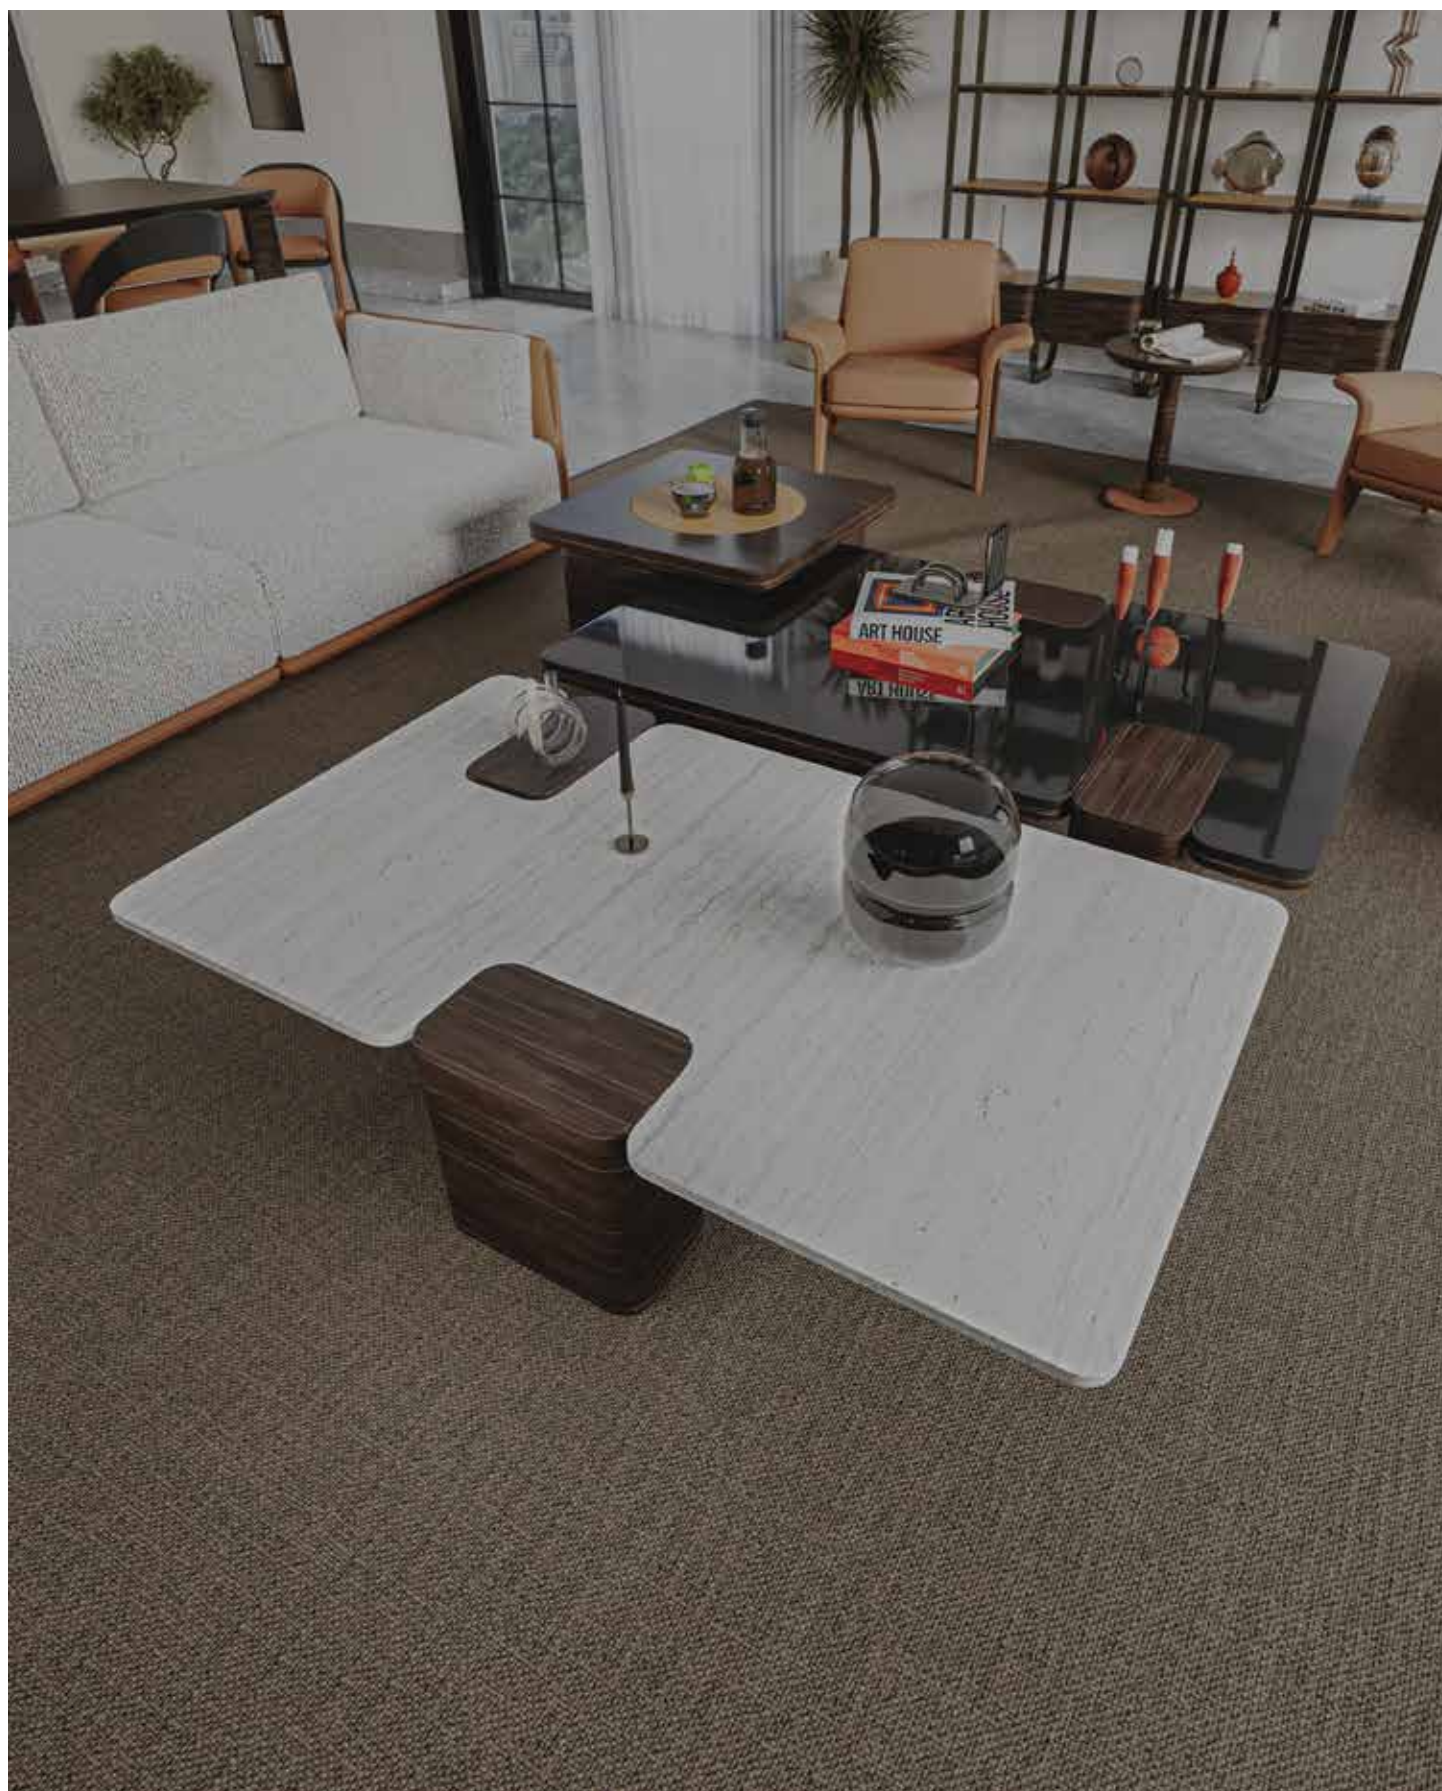

Collaboration refers to standing by each other and supporting each other sincerely. Therefore, we are determined to provide our employees with a positive, inclusive, and supportive workplace in which they can develop both personally and professionally. We value our team members and appreciate the important role they play in the realization of our vision.

MONA **COFFE** TABLE

Mona brings together contrasting forms and levels to create a sculptural centerpiece that feels both playful and precise. The blend of stone, wood, and subtle accents adds depth, turning everyday moments into curated experiences. Designed as a composition rather than a single object, Mona transforms the living space into an elegant, architectural landscape.

MONA COFFE TABLE

Modular Side Element

Mona includes an additional piece that can function as a side table, offering extra flexibility in layout and use. This module enhances the overall composition and allows multiple configurations within the living space.

Top Surfaces

The design features a leather-wood combination top paired with a large natural marble surface, creating a sophisticated contrast in texture and tone. Each material is selected for durability, elegance, and tactile richness.

Leg Structure

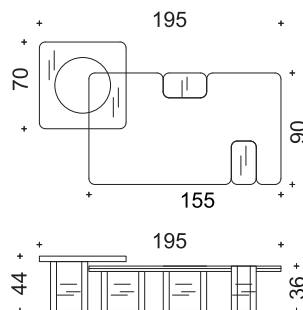

The legs rise as column-like forms, intentionally visible from above to emphasize the architectural character of the design. Their placement supports both stability and a sculptural aesthetic.

Wood Veneer

Crafted with a unique, signature wood veneer, the table's surfaces display a refined grain pattern that highlights craftsmanship and individuality.

Design Essence

Mona stands out through its layered construction and material harmony — a piece where marble, leather, wood, and structural geometry come together to form a distinctive, contemporary statement.

We believe that furniture has the power to gather people, strengthen their bonds, and create feelings of community and belonging. We are excited to be a part of this process, and we are optimistic for the future of our sector, and in fact, the entire world.

MONA
TV WALL SYSTEM

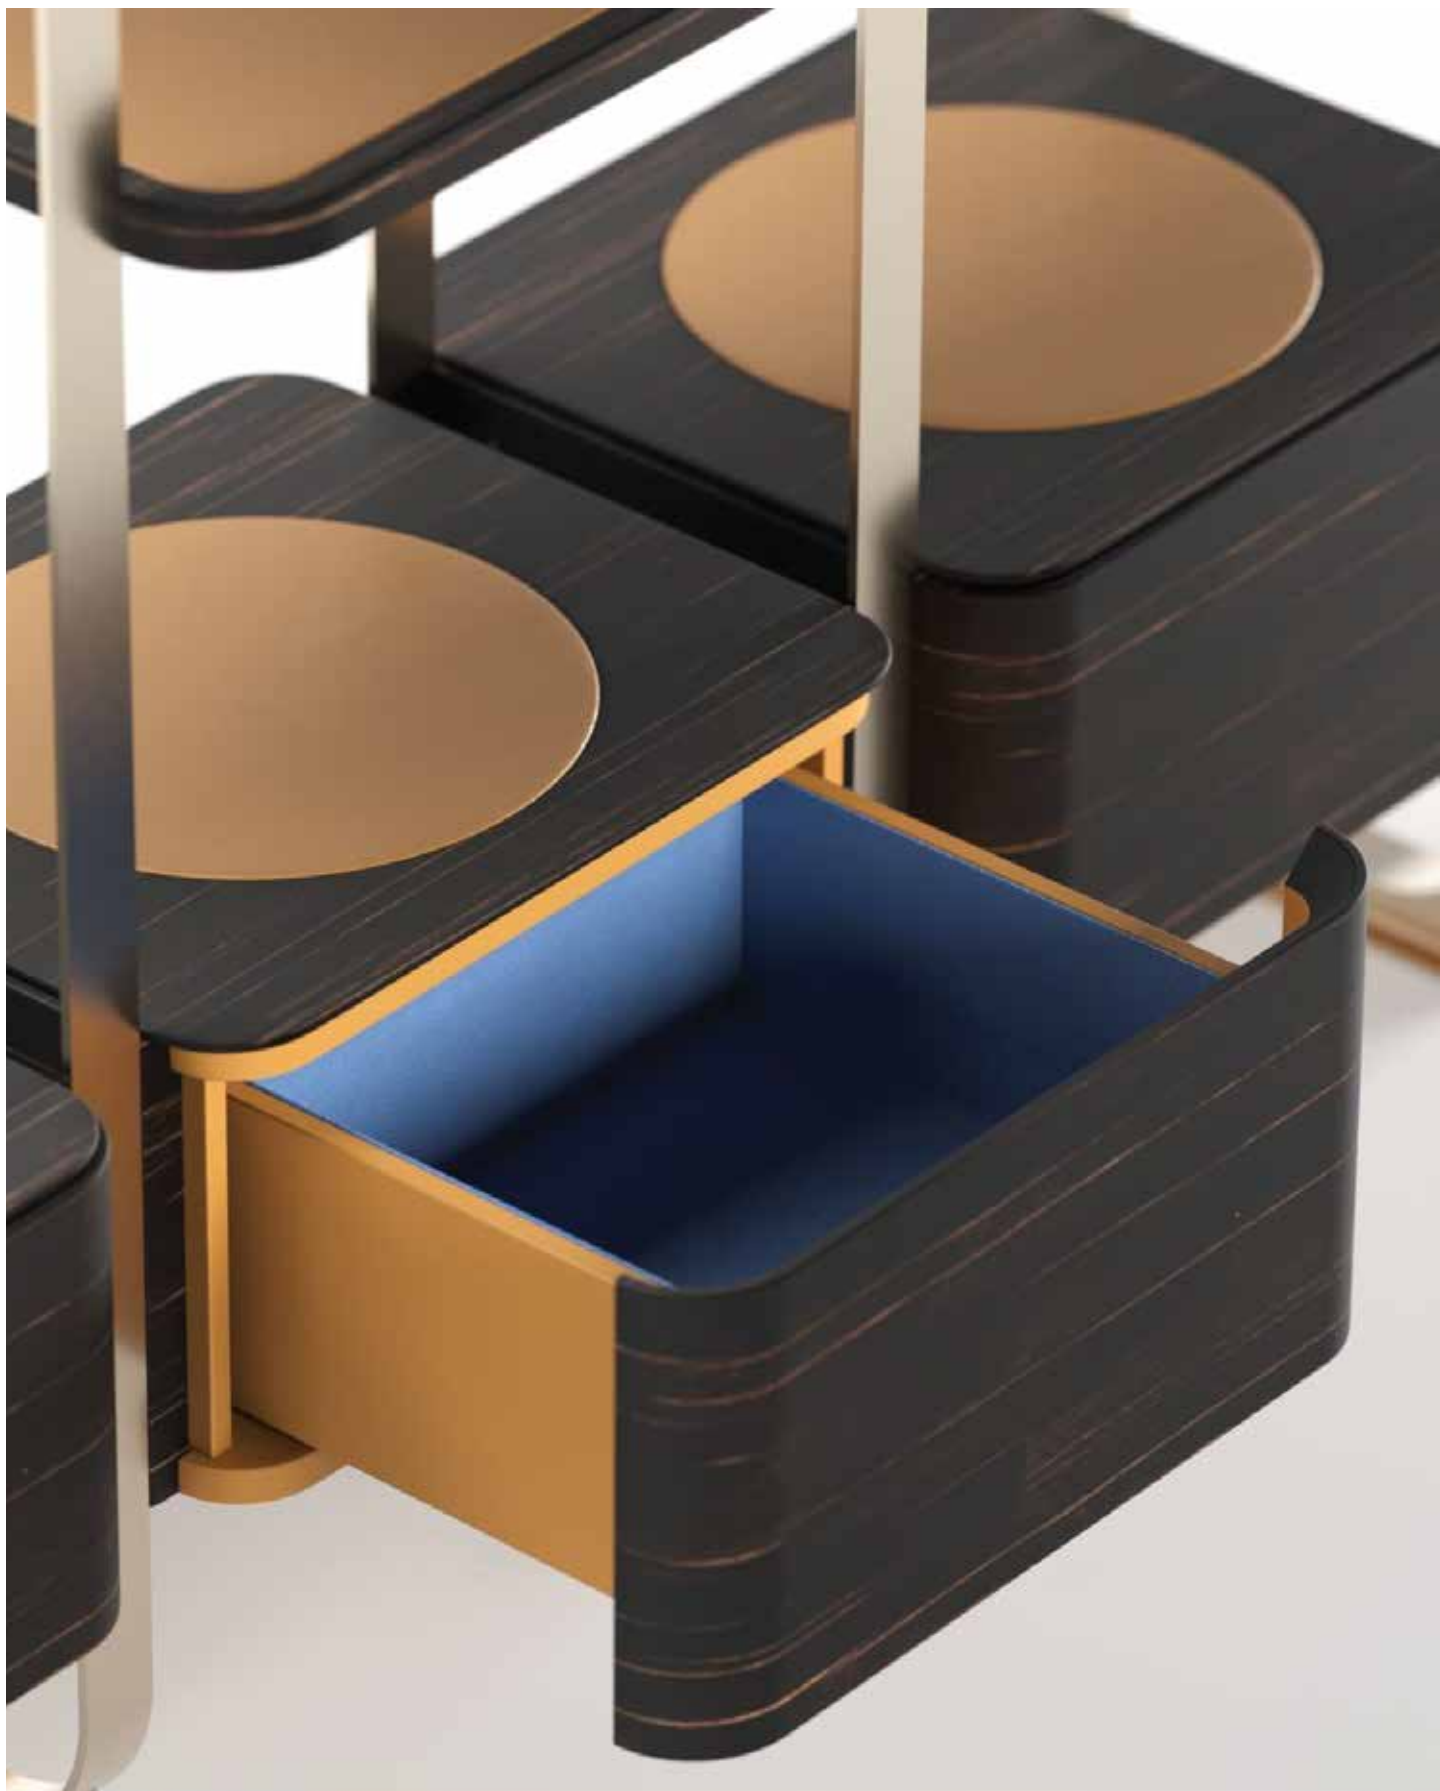

Innovative TV Wall System, a seamless blend of functionality and style. Designed for modern living, this system serves not just as a media center, but as a stunning focal point in your home.

MONA TV WALL SYSTEM

Material

Frame: Constructed from high-quality stainless steel, offering durability and a contemporary aesthetic. The smooth finish provides a sleek look while resisting corrosion and wear.

Shelving Units: Made from premium engineered wood with a rich, dark finish that adds warmth to any room. The wood is both sturdy and stylish, perfect for holding books, décor, and media equipment.

Design

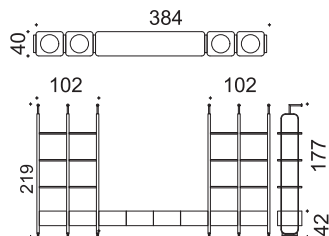

Dimensions: The TV Wall System is designed to accommodate big screens, ensuring a perfect fit for your entertainment needs.

Configuration: Featuring an adaptable ladder-style shelving design, this system allows for customizable arrangements, accommodating various decor styles and personal preferences.

Storage Solutions: Includes spacious, easy-glide drawers for storing media remotes, gaming consoles, and other accessories, keeping your space organized and clutter-free.

Open Shelving: Ideal for displaying books, decorative items, or electronics, ensuring both beauty and practicality.

Aesthetic Appeal: The combination of sleek stainless steel and warm wood creates a striking contrast, making this TV Wall System a versatile addition to any contemporary or minimalist interior. Whether you're entertaining guests or relaxing with family, this system enhances your environment while offering superior functionality.

We believe in the potential of our products to enrich your life. Every object around us has the function of making our lives more beautiful or uglier. We occasionally need to make choices in matters in which we are not professionals, and it is sometimes very difficult to identify the right product. We are proud to manufacture products that enrich and improve your life.

We wholeheartedly believe in the transformative power of our furniture, and we are confident that our products are the right choice for everyone who wants to upgrade their living spaces.

We are aware that furniture is not only associated with aesthetics but also intertwined with the concepts of comfort, functionality, and practicality. For this reason, we strive to design products that are not only beautiful and inspiring but also comfortable, durable, and easy to use.

In our opinion, excellent furniture should always do more. It should inspire sensations and keep them engaged, and it should raise feelings of joy, curiosity, and discovery. This is why we put the entirety of our energy and care into each part we manufacture. We aim to make sure that every product is a real masterpiece.

Our commitment to excellence and attention to detail will appear in every seam, every joint, and every finish.

Be it a comfortable and inviting living room, a functional and productive office space, or a warm bedroom, we always have excellent furniture items that will help you realize your dreams.

While choosing your furniture with us, you will not only choose the durability and design that will survive the test of time but realize that you have made an investment that will bring your home joy, beauty, and comfort for years to come.
